

## TWO BANNERSTONES AND A BOATSTONE

by  
Rick Waibel  
South Charleston, OH

Shown are three slate pieces from my collection. The two winged bannerstones display a symmetry of banding not often seen in slate pieces. At the bottom is a fine slate boatstone.

Figure 1 (Waibel): Winged bannerstone from Auglaize Co. Winged Bannerstone from four miles west of Tiffin, Ohio. Boatstone is from Medina Co.
